REMARKS

SOURCE

25X1X

1. Only two biplanes flew at the
 Magdeburg-South (M 53/D 69) airfield on 4 April
 1950. * The air force detail was still quartered
 in houses on Hahnemannstrasse, where the packed
 boxes, previously reported, were still standing.

25X1C

2. Trucks [REDACTED] (drivers wearing
 blue epaulets) were seen [REDACTED] **

25X1A

Comment :

- * The aircraft probably are courier planes of
 the headquarters of the Third Shock Army.
 The air force unit on Hahnemannstrasse was
 confirmed by several sources. This unit is
 assumed to be an air force liaison detail
 to the Third Shock Army or the maintenance
 personnel of the courier planes. Similar
 small air force details have also been
 observed with other Soviet Army headquarters
 stationed in the Soviet Zone of Germany.
